

This architectural floor plan depicts a rectangular hall with a central corridor and side rooms. The hall is oriented horizontally. The central corridor is 2427 units wide. On the left side, there are four rooms, each 161 units wide. On the right side, there are four rooms, each 161 units wide. The total width of the hall is 2427 units. The total length of the hall is 1980 units. The plan includes dimensions for the rooms, the corridor, and the overall hall. There are also dimensions for the side rooms, which are 161 units wide. The plan shows a central corridor with a width of 2427 units. The total length of the hall is 1980 units. The plan includes dimensions for the rooms, the corridor, and the overall hall. There are also dimensions for the side rooms, which are 161 units wide. The plan shows a central corridor with a width of 2427 units. The total length of the hall is 1980 units. The plan includes dimensions for the rooms, the corridor, and the overall hall. There are also dimensions for the side rooms, which are 161 units wide.

This architectural floor plan shows a rectangular room with the following dimensions and features:

- Overall Dimensions:**
  - Length: 5151 (top and bottom edges)
  - Width: 4811 (right edge)
- Internal Dimensions and Segments:**
  - Top Edge:** 129, 161, 93, 66, 161, 161, 161, 93, 144, 63, 161, 93
  - Bottom Edge:** 129, 161, 93, 66, 161, 161, 161, 93, 144, 63, 161, 93
  - Left Edge:** 42, 193, 42
  - Right Edge:** 517, 481, 42
- Room Features:**
  - Doors:** Four doors are located on the top and bottom walls, each with a swing arrow indicating the opening direction.
  - Windows:** Two windows are located on the left wall, each with a swing arrow indicating the opening direction.
  - Architectural Symbols:** Various symbols are used throughout the plan, including circles, arcs, and lines, likely representing furniture, fixtures, or structural elements.
